STEAM, AIR & HOT WATER SPECIALTIES

ARMSTRONG INTERNATIONAL

Armstrong

STEAM & CONDENSATE - Steam Traps: Inverted Bucket, Float & Thermostatic, Disc, Radiator & Universal Mount, Trap Valve Stations, Liquid Drainers, Air Vents, Strainers, Steam Filters. Condensate Management: Pumping Traps, Custom Pump & Receiver Packages, Flash Tanks, Custom Pre-piped Heat Transfer Packages, Heavy Duty Coils & Unit Heaters, Tank Heaters, Duramix IFB

PRESSURE & TEMPERATURE CONTROLS - Steam & Water Pressure Reducing Valves, Temperature Regulators & Balancing Valves, Python Control Valves
EVERACTIVE - Battery-less Sensors Continuously Stream Steam Trap Data to the Cloud, Providing 24/7 Analytics for Steam Trap Health

HUMIDIFICATION - Conditioned Steam Humidifiers, Gas & Electric Humidifiers with Ionic Bed Technology, Cool Fog Atomizing Systems, Clean Steam Generators, Humid-A-Ware Sizing Software

HOT WATER GROUP - Instantaneous Steam to Water Heat Exchangers, Washdown Hose Stations, Steam & Water Thermostatic Mixing Valves, RADA, The "BRAIN" Digital Mixing Center, Direct Gas-Fired Water Heaters, Digital-FLO Instant Water Heaters

FLOW MANAGEMENT - Accelabar, Verabar, Vortex Meter, Orifice Plates, Venturi Tube, ASME Flow Nozzle, Wedge Meter

CLARK RELIANCE

Boiler Drum Level Instrumentation and Controls, Water Columns, Electro Eye-Hye, Glass Gauges, Bi-Color Gauges

DFT - DURABLA

In-Line Silent Check Valves for Boilers, Condensate & High Cycle Applications. Horizontal or Vertical Install

HEATCRAFT - MODINE

Commercial HVAC Coils - New and Made-to-Fit Replacement Steam, Water and DX Coils. Industrial Unit Heaters and Coils. Rush Shipment Options

KADANT · JOHNSON

Liqui-Mover Pumps, Vacuum Breakers, Rotary Joints and Desuperheaters

KUNKLE & CONSOLIDATED

Safety and Relief Valves - New or Repaired

SHANNON INSULTECH

Custom Fit, Removable Blanket Insulation for Both Thermal and Acoustic Performances

SHIPCO

Electric Condensate Return Pumps, Boiler Feed Pumps & Surge Tanks, De-aerators, Pump and Motor Assemblies, Boiler Blow-Down Separator, Specialty Products

SPENCE ENGINEERING

Pressure and Temperature Regulators, Control Valves, De-superheaters, Steam Separators, Silencers, Muffling Orifice Plates, Uniflex Gasketed Unions

THRUSH CO.

Replacement Tube Bundles, Aar-O-Vent Separators, HOT-PAK Semi-Instantaneous Water Heater, Pumps, Booster Packages

QMAX INDUSTRIES

FTS Heat Tracing Systems, Heating Jackets, Tank Heating Solutions

ENERGY

SERVICES DIVISION

ENGINEERING - Application, Production Design, Specification Review & Systems Assessments

STEAM SEMINARS - Your Facility, EWC Training Facility (Live Steam Board) or Factory Site, Trainings: Expansion Joints, Pumps, Pump Packing and Mechanical Seals

INTELLIGENT SYSTEM SOLUTIONS MONITORING - Armstrong AIM Wireless HART System, Acoustic Steam Trap & Temperature Monitoring, Everactive/SAGE & Sage System Management

SURVEY & AUDITS - Steam, Air & Hot Water System Audits, Steam Trap Surveys, Valve, Pump Expansion Joint & Stores Surveys

PROCESS VALVES & AUTOMATION

Amrēsist AMRESIST (AMRI)

ACRIS Ultra High Purity PFA Lined Butterfly Valves & ISORIA Elastomer Butterfly Valves, Sizes 1-1/2" - 128", Amresist Teflon Lined Full Port & Reduced Port Ball Valves, G-Series Pneumatic Actuators

ASAHI

Thermoplastic Valves for Applications up to 250°F, 230 PSIG, Pneumatic & Electric Actuators & Positioners

A-T CONTROLS

Process Ball Valves, Control Valves, High Performance & Resilient Seated Butterfly Valves, Rack & Pinion/Electric & Scotch Yoke Actuators, Gearboxes, Limit Switches, Positioners & Solenoids

AUTOMATION SERVICE

Remanufactured Fisher, Rosemount, Foxboro Valves, Transducers & Transmitters, Component Recycling & Application Engineering

CENTERLINE VALVES

Resilient Seat Butterfly Valves, Available in Sizes 2" - 48", Elastomer Lined Check Valves, Available in Sizes 2" - 20"

CHECK-ALL VALVES

Spring-Loaded Check Valves: 1/8" - 20", Bronze, Carbon Steel, Nylon, PVC, SS, Teflon. Vacuum to 10,000 PSIG

COWAN DYNAMICS

Special Purpose Pneumatic, Hydraulic, Electro-Hydraulic Actuators

DeZURIK VALVES

Plug, Butterfly, Control, Knife Gate, Check, Air, Surge Relief, Fixed Cone, Ball and Cone. Actuators, Valve Accessories, Hydraulic Power Units

FLOWSEAL BUTTERFLY VALVES

High-Performance Butterfly Valves, Soft Seat, Fire Flow, Metal Seat & Triple Offset Valves, Classes 150, 300 & 600, Wafer and Lugged Double Dead-End

INLINE BALL VALVES

Carbon & Stainless Steel Ball Valves: 1, 2 & 3 Piece Construction. Multi-Port & Sanitary Design. Quick Ship

LIMITORQUE

These Mechanical/Electric Actuators are Used to Consistently Drive Multi-Turn & Quarter Turn Industrial Valves & Dampers, Providing Years of Dependable Service

SAUNDERS INDUSTRIAL VALVES

Industrial Diaphragm & Check Valves, Weir Style & Straight-Thru Bodies, Variety Linings & Diaphragm Materials for Corrosive & Abrasive Applications

SLURRYFLO

Specialty Process Slurry Knife Gate Control Valves, Unique Orifice Trims for Customized Control, Rocket Plates - Custom Engineered Orifice Plates for Pressure Reduction & Flow Restriction

TRUeline VALVES

O-Port Knife Gate Valves, PTFE & Polymer Seated Ball Valves, Gate, Globe & Check Valves

VALVE ACCESSORIES & CONTROLS

BLX Pneumatic, Electro-Pneumatic & Digital Valve Positioners

WEY VALVE

High Performance Knife Gate Valves for Process Slurry Applications, Sizes 2" - 96"

XOMOX / TUFLINE VALVES & AUTOMATION

Sleeved Plug Valves, PFA Lined Valve Products, High Performance Butterfly Valves, Severe Service Metal Seated Butterfly Valves, Triple Offset Butterfly Valves, Process Ball Valves, Matrix Vane Actuators & XRP Actuators

REMANUFACTURE & REPAIR

VALVES:
ELECTRONICS:

Knife Gate, Diaphragm, & Ball Valves
Remanufactured Fisher, Rosemount, and Honeywell Transmitters

LIQUID LEVEL CONTROL & INSTRUMENTATION

JACOBY - TARBOX

Sight Flow Indicators for Industrial & Sanitary Applications, Phaeton LED Tank Lighting

JERGUSON

Magnetic Level Gauges, Controls & Guided Wave Radar, Flat & Reflex Glass Level Gauges & Valves, Magnesonics Float Capacitance Level Switches & Ultrasonic Transmitters, Patented LED Lighting

HICO FLUID SEALING SOLUTIONS

COMPRESSION PACKING AND PRE-CUT PACKING SETS, GASKETS AND GASKET SHEET, MECHANICAL SEALS, RUBBER AND COMPOSITE TYPE EXPANSION JOINTS, CUSTOM SOLUTIONS
